WE WOOD, YOU PLAY

FITNESS COURSE

Nature Obstacle Course

The obstacle course encourages the desire to move in a natural way in order to keep and to improve the physical condition.
Fitness and play merge into a challenge against oneself or friends, among people of different ages and abilities.
The difficulty levels can be chosen by the user on a course that is suitable for all ages starting from 3 years old.
Safety is guaranteed in accordance with all the current Norms in force.

PEFC

PLASTIC FREE

This course avoids the emission of over 2.500 Kg CO_2.
